

Many More Red Cross Workers Are Required

AN APPEAL TO THE WOMEN FOR HELP

HARVEST PLENTIFUL BUT LABORERS ARE FEW.

RED CROSS NEEDS WORKERS

All Women Who Can Should Report at Once; Work Required To Help Win War.

At the Red Cross services held in the Methodist church, Sunday night, Mrs. Louis A. Copeland stated that many more workers were required at Red Cross headquarters to assist in the good work that is being done by that noble organization. Mrs. Copeland said the room was an ideal place in which to work, and there was an abundance of material to work with, but the workers were few, and the required amount of garments could not be completed unless more of the women of Huntington Beach volunteered their services.

This is a condition which should not exist, and will not exist many days, as there are plenty of patriotic women in this vicinity who will rally 'round the Red Cross emblem when it is known that their services are absolutely essential for an adequate production of garments for the relief of the Liberty Boys, who have gone forth to battle for the freedom of mankind.

A few good women have labored long and lone, but they are unable to do all of the work themselves, and should not be expected to do so. Huntington Beach has gone over the top in all other respects concerning the war, and must not fall behind in the Red Cross work. There are but few women but who can be of some assistance in this great work, and all such should report for duty at once and donate at least one-half day each week until the output of garments has reached the maximum. If there are women who have spare time who cannot do any of the work that is being done at the Red Cross headquarters, it is high time they were learning to do so.

SUNDAY SCHOOL PICNIC SATURDAY.

HUNTINGTON BEACH WON THE BANNER.

The various Sunday schools of Orange county enjoyed their annual outing in Orange County Park, Saturday. There were about 125 present from Huntington Beach, leaving the church at 9:30, and the park at 5:30. Members of the Huntington Beach school distinguished themselves by winning the prize at athletic contests for the third consecutive year, and thereby becoming the owner of the banner.

Those who were most prominently identified with the sports were: Harold H. Campbell, Boyden Hall, Clyde Wardman, L. E. Worthy, John Masters, James Haptonstall and Conrad Worthy.

RED CROSS SERVICES WERE WELL ATTENDED.

JUDGE THOMAS STRONGLY DENOUNCES KAISER.

The special Red Cross services were well attended at the Methodist church Sunday night.

Rev. R. I. McKee, pastor of the church, presided, and the services were opened by singing "America," and a special number by the choir, directed by Ralph C. Turner with his violin.

Rev. McKee read the twenty-third Psalm, one of the gems of the Bible.

Rev. McKee made some complimentary remarks about the Red Cross, and introduced Mrs. Louis A. Copeland, vice-president of the Red Cross branch, saying that Mrs. H. L. Heffner, the president, was unable to be present. After telling something of the good work that has been done by the local chapter, made an urgent appeal to the women of Huntington Beach to assist in the work. There was a splendid room to work in and plenty of material, but there were but few workers. She thought there were many more women in Huntington Beach who could spare a half day each week for this humanitarian work.

T. B. Talbert, chairman of the Board of Supervisors, was then introduced, and in turn introduced Judge W. H. Thomas of Santa Ana, the speaker of the evening.

Judge Thomas delivered one of the most scathing rebukes of the Kaiser and his methods heard since the outbreak of the great war. He was the first public official in Orange county to publicly denounce the German ruler, and he has been continually at the work.

Judge Thomas said that he had felt that the United States should have entered the war as soon as the Belgian treaty had been violated, as this country was one of the signatories of that document; but he believed that it was better that no attempt was made to do so, as the American people at that time probably would not have followed the Government in such action.

He said there were Belgian children in Santa Monica whose hands had been cut off with the swords of German soldiers.

Judge Thomas repeated the immortal statement of Abraham Lincoln, that this country could not exist one-half slave and one-half free, and said that the world could not exist five-sixths free and one-sixth autocratic. He favored fighting the war to a successful termination if it required 50 years' time.

Judge Thomas said he did not feel that it was necessary to say much to the people of Huntington Beach about subscribing to the second Red Cross appeal for funds, as there was no doubt about them responding as they had in the past.

There were seated on the platform besides Rev. McKee, Mrs. Copeland, Mrs. Alex. P. Nelson and Mrs. Ned N. Brown, attired in Red Cross costumes; E. E. French, president of the Board of Trustees; Mr. Talbert; Judge Thomas, and Rev. C. Carey Willet, pastor of the Baptist church, who delivered the benediction.

MEETING OF P. T. A. TUESDAY EVENING.

There was a business meeting of the P.T.A. Tuesday evening in the Grammar school building. The annual report of Treasurer Alfred Onson showed a balance on hand of \$4.50.

The only officers present were Mrs. Owen D. Peters, president, and Mr. Onson, and each of them declined to serve another term, and the election of officers was postponed until the first meeting after the opening of the next term of school.

ANOTHER CHAPTER ON THE BOAT LANDING.

SAYS GOOD ONE CAN BE BUILT FOR \$2,000.

There is another chapter on the boat landing on the pier to be written.

A well-known citizen took the matter up last week with one of the big firms in Los Angeles that makes a specialty of this class of work, and was informed that a landing, including twenty creosoted piling, could be constructed for about \$2,000.

This firm states that a pile driver can be taken over the pier without injuring the cement floor in the least, while being moved. This information insures a permanent landing for about one-half the amount that has been mentioned as being the probable cost, and the work should be done as soon as a way can be found to provide the funds. About the only way that amount can be secured for the purpose would be to include it in the tax levy this fall.

TEN YEARS AGO

The Following Items Appeared in the Huntington Beach News of May 22, 1908.

There was a banquet at the Huntington Inn, Wednesday night, largely attended by business men of Huntington Beach and Newport Beach, for the purpose of discussing plans for the upbuilding of the two towns. The speakers of the evening for Huntington Beach were C. H. Howard, Rush M. Blodget, Prof. Robert C. Root, Dr. F. E. Wilson, C. W. Warner, Principal Edward Solomon, S. W. Price, S. L. Blodget, Louis Paul Hart and T. B. Talbert. The following attended from Newport: W. W. Wilson, president of the Board of Trade; A. Hermes, Lew H. Wallace, John King, John McMillan, J. W. Stuckenbruck, J. W. Sharps, J. J. Schnitker, Raymond Wayman, R. P. Wilson, A. A. Lester, Gerald Gage, Dr. Geo. C. Clark, F. C. Sharps, E. J. Louis, Joseph Furgeson, C. H. Hemstreet, S. Baker and W. W. Crosier. Talks were made by President Wilson, Mr. Hermes, Mr. Louis and Mr. Wallace.

W. S. Harris, correspondent for the News at Wintersburg, has sold his store in that village.

J. T. Reed made a catch of more than 200 pounds of surf fish at the foot of Twenty-third street Monday.

Miss Alma Wilson went to Covina, Tuesday, to visit with her mother, who is there for a brief stay. Dr. Wilson spent Sunday there.

Mr. and Mrs. M. D. Rosenberger have returned from a vacation spent at various beaches.

The Huntington Beach Dramatic Club covered itself with histrionic glory in the performance at the auditorium last Friday night. The entertainment opened with a quartet, composed of Rush Blodget, Merle Ramsey, Ward Blodget and Cash Ramsey, with pleasing effect. Miss Alma Wilson's recital of the woes of a spinster who tried to take advantage of leap year, was striking and effective. "Barbara," a charming story of love and pathos, of a woman's sacrifice, afforded an opportunity for genuine dramatic talent to be displayed by Mrs. Geo. O. Franklin, whose portrayal of the leading role was fully up to the standard of professional ability. Homer French, as the bearer of good tidings, belied his whiskers, and his acting overcame, to a great extent, the unkindly look which they gave his appearance. He will develop into a positive star in eccentric roles.

S. L. Blodget attended a meeting of past masters of Masons in Santa Ana, Saturday night.

The regular meeting of the Board of Trade was held Monday night. Chas. J. Andrews was elected a member. R. E. Graves reported the committee was successful in having the county picnic of the M.W.A. held in Huntington Beach, which will occur Admission Day.

The Midgets defeated the Red Ribbons at a game of baseball last Saturday by a score of 9 to 13. The line-up for the Midgets follows: Barney Hglme, c; Leman Reynolds, p; John Sigler, 1b; Ben Mock, 2b; Joe Livernash, 3b; Eugene Meserve, ss. The Red Ribbons presented John Conrad, c; Paul Helme, p; John French, 1b; Walter Washburn, 2b; Bob Nutt, 3b; Dile Connors, ss.

ALL YOUNG MEN MUST REGISTER JUNE 5TH

NOT A GREAT MANY IN THIS DISTRICT.

REGISTRAR AT NEWS OFFICE

Those Who Have Become of Age Since June 5th of Last Year; All Must Obey the Law.

All young men who have become 21 years of age since June 5th, 1917, must register for military service Wednesday, June 5th.

There will be but three registrars in the second district, being located at the local board in Fullerton; the city hall in Anaheim, and the News office in Huntington Beach.

As there are not a great number to register for service in any one community, the board did not provide for but three places for the work.

The law is imperative and must be obeyed, and no one should fail to register for service on that date, except those already in some branch of the service. James J. Conrad will be the registration clerk for Huntington Beach, and the hours will be from 7 a. m. to 9 p. m.

There are no territorial boundaries and eligible men can register at any of the three locations, but of course does not have to register but once.

Charles C. Chapman, chairman of the local board at Fullerton, will be in charge of the office in Fullerton, and Richard Melrose, secretary of the board, will act as registrar at Anaheim.

RESIDENCE BADLY DAMAGED BY FIRE.

HOME OF MR. AND MRS. A. RUOFF HAS CLOSE CALL.

But for the prompt work of Albert E. Ruoff, assisted by nine of his good neighbors, the home of he and Mrs. Ruoff, near the Springdale schoolhouse, would today be a mass of ruins. It is really remarkable how the house was saved, with no fire apparatus at hand other than buckets and willing hands.

The fire was occasioned by an explosion of an oil cookstove in the kitchen, about 6:30 Saturday evening of last week, and quickly spread to the adjoining room. Mrs. Ruoff used rare presence of mind in closing the doors leading to the bedrooms when the fire started, which largely accounts for but little damage being done in this section of the house.

Mr. Ruoff was slightly burned while fighting the flames to save his home. Practically everything in the kitchen, dining room and bath room of the home was destroyed, and Mrs. Ruoff estimated their loss at \$450, with no insurance. Some fine oil paintings on the walls were also destroyed or badly damaged. A rare collection of chinaware is among the articles lost.

The fire was caused by the glass tank of the stove having been filled with oil by Norman, the 8-year-old son of Mr. and Mrs. Ruoff, and set on the stove while Mrs. Ruoff was out of the room. One burner of the range was burning, and it is supposed that the heat caused the tank to explode. However, that is only a supposition.

The flames were extinguished by water taken from an irrigation ditch near the house.

Mr. and Mrs. Ruoff are grateful for the kind acts of their neighbors, both at the fire and afterwards.

NEW PROPRIETOR FOR THE ARROW GARAGE.

CHAS. J. ANDREWS IS NOW IN CHARGE.

Chas. J. Andrews has purchased the Arrow Garage and took charge of the business Tuesday morning. Few men are better known and more highly esteemed in this vicinity than is Mr. Andrews, which insures his success.

Some changes in the arrangement of the garage are contemplated by Mr. Andrews. The office will be moved back toward the rear, so that it will be closer to the machine shop, and a ladies' rest room will be probably be placed at the left entrance, where the office is now located.

Mr. Andrews did not buy the ignition works, and this will probably be moved to some other location.

Mr. Andrews was for 11 years manager of the Bolsa Chica Gun Club, which position he resigned a short time ago.

Mr. Farmer and Rancher:

Implement Sheds—Implement Sheds

All over the country the farmers are taking to heart the advice of Secretary of Agriculture Houston to build sheds to protect their farm implements.

The marked advance in prices of all agricultural implements has at last proved to the farmer that to leave any machinery out in the weather is simply

throwing good money away.

We would be pleased to have you call and let us show you what we have to build this shed.

WEEKLY GREETING.

People say sometimes, "See what I have overcome; see how cheerful I am; see how completely I have triumphed over these black events." Not if they still remind me of the black event—they have not yet conquered. . . True conquest is the causing the black event to fade and disappear, as an early cloud in a history large and advancing.—Emerson.

To Our Customers

As a war measure, and in line with suggestions of the National Council of Defense, we find that we must eliminate all unnecessary calls and deliveries.

The laundry confronts the problem of continued efficient service in the face of greatly increased costs of production in all departments. One of the main cost items is that of delivery, and when to this is added repeated calls by the driver for bundles not ready the first time, and to collect small amounts from customers who did not pay for their work when delivered, a hardship is placed upon the laundry as well as upon the driver, who must give the time for such extra calls.

In view of these facts we must earnestly request our customers to co-operate with us; TO HAVE THEIR BUNDLES READY UPON THE REGULAR PICK-UP DAY AND TO PAY CASH FOR ALL WORK UPON DELIVERY.

This request is in no way a reflection upon the integrity or the financial standing of any customer; it is issued solely as a stimulus to the efforts of a few who have been thoughtlessly negligent in preparing their bundles and making their payments.

Very truly yours,

The American Laundry

TOTAL WILL BE ABOUT \$3,000

Allotment Was \$2,000; First
Day's Subscriptions Were
\$2,105.85; Those In Charge
Entitled to Credit.

The quota for this district of the \$1,000,000 to be raised by the American Red Cross was \$2,000, and the first day's work of the canvassers netted the sum of \$2,105.85, and John Kellie McDonald, secretary of the committee in charge of the drive, states that the final total will probably be close to \$3,000. At a committee meeting last week it was decided to raise \$2,500, and in any event it is certain that the amount will exceed this amount.

There was a committee meeting Friday afternoon of last week, when final arrangements for the work were completed, and it was decided not to open the campaign until Tuesday morning. F. H. McElfresh, who was appointed captain of the district, announced the appointment of the following committees to take charge of the work:

Team No. 1—H. T. Dunning, Dr. G. A. Shank and W. M. Adair. Territory, First to Fifth streets, inclusive, except the business district.

No. 2—A. W. Griffith, Judge C. W. Warner, Harold H. Campbell. Sixth to Ninth street, inclusive.

No. 3—R. C. Turner, Geo. F. Bentley, G. S. Bergey. Tenth to Fourteenth streets, inclusive.

No. 4—H. V. Anderson, Mrs. John P. Moore, C. S. Bundschuh. Fourteenth to Twenty-third streets, inclusive.

No. 5—C. E. Lavinger, Richard Drew. Business district.

No. 6—Chas. R. Nutt, V. B. Brown, Mrs. Rose Rafferty. East side district.

SUGAR EMPLOYEES HAD BIG TIME SATURDAY.

LARGE ATTENDANCE ENJOYS THE
SPORTS.

An attendance estimated at about 600 enjoyed the day at Orange County Park, Saturday of last week, being employees of the Holly Sugar Corporation, Southern California Sugar Co. and Santa Ana Sugar Co.

The chief attraction was the kangaroo court, with E. M. Smiley of the Santa Ana Sugar Co. on the bench. Some of those apprehended for offenses ranging from forgery to too much sugar in coffee were C. A. Johnson, general manager of the three factories; H. A. Benning, general superintendent; E. C. Bullen, general engineer; M. A. McCreery, chief agriculturist; N. W. Draper, of the Southern California Sugar Co. The complaints were sworn to by O. J. Holdem, O. U. Skinnem, Will Fetchem and H. L. Ketchem. Mr. McCreery was the first prisoner to receive sentence and was afterward strung up to a limb by an infuriated mob. Four donated fines to the Red Cross, including General Manager Johnson. T. B. Talbert was prosecuting attorney.

Baseball games, dancing and other amusements were indulged in and a very pleasant day was passed, and it was decided to make the employees' picnic an annual affair.

MRS. MICHALES PASSED AWAY LAST WEEK.

Mrs. Lee Michales of Balboa, daughter of Mr. and Mrs. N. C. Carroll of 624 Eleventh street, passed away Friday afternoon of last week, having been seriously ill but a few hours. Mrs. Carroll visited with her daughter Friday, and as she was not feeling well, brought her home with her, and she lived but a short time after arriving. Funeral services were held in the Methodist church Sunday afternoon at 2 o'clock, with Rev. R. I. McKee in charge, the interment being in the Huntington Beach cemetery.

She was born in DeKalb county, Georgia, 22 years ago, and married Mr. Michales June 24, 1914, and is survived by one small daughter. Mrs. Michales had many friends here who regret her untimely passing away.

OPENING DANCE ME- MORIAL DAY NIGHT.

WILL BE IN PAVILION ON THE
BEACH.

There will be a dance in the pavilion on the beach the evening of May 30, Memorial Day. This will be the opening of the season, so far as dancing is concerned. D. W. Huston will have charge of the floor, and the best of order will prevail.

STUDENT BODY NOTES.

Saturday, May 18th, was the date for the annual Forensic contest between all High schools of Orange county. There were four departments in the contest—the Senior, consisting of original orations, our representative therein being John Murdy; the Junior, original essay, Royal Jumper our representative; Sophomore, declaimed patriotic oration, Eva Murdy representing us; and Freshman contest in the declamation with Marguerite Wright as our reader.

The Junior and Senior contest was held in the First Baptist church of Santa Ana, while the Freshman and Sophomore convened in the auditorium of the Intermediate school, this plan being carried out for the purpose of completing the entire contest in the forenoon, thus giving the students opportunity to enjoy or engage in the Red Cross drive parade of the afternoon.

Each topic or theme of the several contests was worthy of deepest consideration, but time forbids the mention of more than a few—those held forth by our contestants and the winners respectively.

In the Junior contest Royal Jumper spoke on "The Submarine—Its Part in the War." The winner of that contest, Walter Loescher of Orange, with "The Passing of the German-American." Of the Seniors, John Murdy considered "Democracy and the Citizen;" the Orange representative again winning with the subject, "America Made Good." In the other two contests, Robert Richardson of Orange defeated, by two places, our Marguerite Wright, who read "The Americanizing Andre Francois."

Again, in the patriotic declamations, Robert Kuechel of Orange was victorious with that masterful production of Franklin Lane, "Why We Are Fighting Germany," while Miss Murdy came in third with President Wilson's Flag Day Address.

The week beginning May 20th has marked the Red Cross drive in the High school, a period each day being devoted to the work of the war, in one phase or another. Students and teachers have co-operated to make these periods worth while. On Wednesday Mr. Daniels of Riverside spoke on the importance of the Red Cross. Thursday Miss Wilson presented the topic "Our Definite Duty," speaking herself, and then she introduced Eva Murdy, who discussed the "Food and Clothing Conservation" most ably. Teddy Tar-boy developed the theme of "Finance" most admirably, showing the uses to which our Government must put this money if she would win the war—this, our supreme task.

It may be interesting to the public to know that through a system of pledge raising the students have pledged to the Red Cross fund over \$470, nearly a fifth of the quota for the district. We believe this to be worthy of commendation. The pledges will be counted in the districts from which the students come.

The Senior play, "The Butterflies," is well under way and will no doubt reflect credit to the name of the Senior class.

Student Body election time is a highly interesting time. Wednesday, May 22, was the day on which the polls opened for election of president and book store manager. Election returns show Royal Jumper the right man for the presidency and Carmel Grana for manager of book store. The remaining officers will be elected on Wednesday, May 29, and the nomination excitement bids fair to support a lively election.

SCHOOL STUDENTS VISIT POTATO KING'S RANCH.

Wednesday, Homer Derr, instructor of agriculture at the Jefferson High school of Los Angeles, and ten boys of the agricultural class, who each have one-fourth acre of potatoes to cultivate as a part of their school work, visited the ranch of A. J. Young, north of Huntington Beach, and carried away with them some practical knowledge about potato culture.

The visitors expressed great satisfaction over what they saw on the farm of California's greatest authority on potato growing and what Mr. Young said to them.

SUPERVISORS BEING ENTERTAINED TODAY.

The supervisors attending the state convention in Los Angeles are being entertained by the supervisors of Orange county today, and several citizens of Huntington Beach are furnishing machines for the drive about the county. Refreshments will be served in the county park.

CHOIR WILL DEDICATE SERVICE FLAG.

The choir of the Methodist church will dedicate a service flag Sunday morning at 11 o'clock for those who have joined the ranks of the Liberty boys.

FIRST ANNUAL SUMMARY OF THE H. B. MUNICIPAL BAND.

The Huntington Beach Municipal Band, organized by an aggregation assembled largely through the efforts of Mr. C. H. Endicott, at the city hall, by the adoption of by-laws and constitution, Friday evening, March 13, 1917.

Its purpose, definitely outlined, to be the betterment of the musical and social condition of its members and the community.

With the hearty co-operation of our city trustees, Chamber of Commerce, clubs and various civic and social organizations and committees, we have achieved this purpose to no small extent.

We have given many concerts and participated in many and various community programs and entertainments; we have been on hand when asked, without reserve or recompense, to the many and varied causes which the past year has brought, and no doubt have had something to do with taking our city "over the top" so triumphantly on many urgent occasions.

Much of our success has been due to our able and faithful leader, Mr. C. H. Endicott, who has been placed on a small salary by the city in recognition of this and other public services.

A few of the necessary accomplishments in making a creditable band:

The band boys personally procured fully \$1,200 worth of instruments and paid for them themselves individually. Through the generosity of our landlords we have paid no rent, but have had to clean up, wire, paper, paint and repair no less than four rooms for practice purpose. This was cheerily done, as was the moving, without cost as far as labor was concerned.

Several instruments seemed to be indispensable, and, not being procurable in any other manner, were ordered by the band, and we have agreed to pay for them; also quite a quantity of sheet music has been purchased.

Our uniforms, consisting of blouse and cap, are of good material and in good condition, and when supplemented by our (individually procured) white trousers, make a good appearance, and should last for several years.

Our chairs, too, are, with one exception, as good as new.

Our progress has been almost constantly retarded by the unusual conditions brought on by the war. Several of our players have joined the colors, and our membership is represented in the Marine Band, in which fact we have pride. Others have shifted habitation, adjusting themselves into Uncle Sam's endeavor for more efficiency, making it an unusually difficult thing to progress.

Our finances, the Board of Trustees has kindly donated certain sums to us from the music and promotion fund of the city, and aside from this we have played but one engagement for which we have fixed a price, and that was outside of the city; having left the matter of pay, usually, to the committee having charge of entertainment for any of the community affairs, and we are proud of the unusual fact that this band has not had to pass a sub-

scription paper among the people for support and has asked no individual for a donation.

As we are but one year old, it is too early to crow over beating the "hoodoo" of organizing on Friday, the thirteenth, although we have strong hopes that we will not be troubled by the "jinx."

As a fitting close of this resume, we wish to thank all of those who have helped and encouraged our endeavor in any way, large or small, and every kind word, pat on the back, hearty grip of the hand—all are appreciated. Thank you.

Yours for progress,
HUNTINGTON BEACH MUNICIPAL
BAND, by A. W. Morehouse, Secy.

FATHER WOODCUTTER GOES TO LOMPOC.

Father Woodcutter, priest-in-charge of St. Mary's church, has been transferred to Lompoc. There is general regret at the loss of Father Woodcutter, as during the short time that he has been here he has proven himself a valuable man for the church and community.

\$25.00 REWARD.

The Huntington Beach Methodist Assembly will pay a reward of Twenty-five Dollars for information that will lead to the arrest and conviction of the person or persons who broke the glass in the windows and doors of the tabernacle. F. D. MATHER, General Manager.

"THE BELGIAN" WILL BE SHOWN SATURDAY NIGHT

"The Flame of the Yukon" Sunday Night.

"FRECKLES" THE ATTRACTION THURSDAY NIGHT.

Chas. H. Endicott (Pop) of the Princess theatre has arranged for a good bill for the coming week, including some of the most interesting pictures being shown today.

Saturday Night.

The chief attraction Saturday night will be "The Belgian," depicting an interesting exposition of the diabolical efficiency of the German spy system.

Just before the declaration of war, Jeannie and Victor, two simple fisher folk of Belgium, were bidding a tearful farewell. Victor had been offered great opportunities in Paris, and Jeannie made the sacrifice of losing her lover that he might become a great sculptor. His departure was noted with great satisfaction by one of the Kaiser's chief spies in Belgium—Berger, the postmaster of the little Belgian village—who wished to marry Jeannie.

Victor made a great success in Paris, and was looked upon with special favor by Countess de Vries, a beautiful but heartless worker for the German government. The young artist forgot his Belgian maiden and basks in the smiles of the countess. At the outbreak of the war he joins his regiment and is wounded, being temporarily blinded, and Jeannie nurses him. The countess deserts him, but he is not convinced of her treachery until she is arrested as a spy.

Sunday Night.

The great picture, "The Flame of the Yukon," will be shown Sunday night. This picture was booked several weeks ago, but Mr. Endicott was disappointed in getting it at that time.

There is a splendid moral lesson in the story, showing how a man's influence for good brings about the complete reformation and regeneration of a noted dance-hall girl, known throughout the Yukon country in the early days of the gold excitement in that far-away land of icebergs and snow.

Dorothy Dalton, one of the popular screen artists, appears as "The Flame," with Melbourne McDowell as leading man, "Black Jack" Hovey.

Thursday Night.

There will be a special matinee at 4 o'clock Thursday afternoon, in addition to the regular show in the evening at 8 o'clock. The principal picture shown will be "Freckles," featuring Jack Pickford and Louise Huff.

Freckles is a little one-armed waif in an orphanage. He has no remembrance of his father or mother and what happened to his arm. He is the butt of all the jokes at the orphanage, and finally his splendid little spirit rebels and he runs away. After many struggles, and faint with hunger, he meets John McLean, a wealthy lumberman, who, liking the manner of the little fellow, appoints him watchman of the Limberlost, a valuable timber swamp.

While there Freckles meets the "Angel," a girl whom wealth can not spoil, who is spending the summer with the "Bird Woman," an enthusiastic naturalist.

Black Jack, foreman for McLean, is attempting to steal some of the valuable timber from the Limberlost and is discovered by Freckles, and fearing he will tell his employer, they bind Freckles and throw him into the swamp. He is about to sink below the black water when the Bird Woman finds and rescues him.

The Angel, who has fallen in love with the little chap, rides to warn McLean, who returns with a party of men and rescues the timber.

Freckles and the Angel are leaving when a huge tree, falling, is about to strike the girl. The brave boy, although exhausted with his hard fight with Black Jack, throws himself in the way of the tree, which falls with the greater part of its weight across his chest.

CHRISTIAN SCIENCE SOCIETY.

Christian Science Society services held Sunday morning at 11 o'clock, at the corner of Eighth street and Olive avenue. The subject for Sunday, May 26th, will be: "Soul and Body." Sunday school at 9:30 o'clock a. m. Wednesday evening meetings at 8 o'clock. Reading room in church open Monday, Wednesday and Friday afternoons from 2 till 4, where the Bible and authorized Christian Science literature may be read or purchased if desired.

MEMORIAL DAY AT VENICE.

The significance of the naval memorial services at Venice this year will be marked, owing to the worldwide war that the country is now engaged in, and the program of previous years will be enlarged upon. It is planned to get the boys from the submarine base with their crack military

telle home, the local civic and social organizations, the school children, the local members of the Red Cross and their auxiliaries to take part in the morning parade and in the services to be held at the Auditorium.

Judge Thomas White, Attorney Frank Dominguez and Glenn McWilliams, secretary to Mayor Woodman, will be the orators of the day, while an appropriate musical program, with several opera stars will intermingle with the speeches.

Following the services thousands of flowers will be scattered upon the sea, with aeroplanes flying overhead and the naval ritualistic services being held in honor of departed sea heroes, while the big guns boom the salute of honor.

GOD'S SERVICE FLAG.

(In Memory of Leo Maddock, who passed from earth, April 18th, 1918.)

Not in War's trenches, where Death's fingers gleam
In red-tipped bayonets, clutching human life,
And shells shriek wildly as their fragments stream

In scarlet hail above the infernal strife—
Did Leo die: No flag, with golden star,
Shines through the window where his mourners are.

His name of Leo was a royal sign,
Of strength and courage, which with grace he wore:
Though manhood filled his veins with youth's strong wine

Of joyous daring, yet his soul forebore
To stoop to vices, whose bright snares are set
To chafe men's souls with chains of sad regret.

Not all the brave are found on Flanders' fields—
For still Love's colors, flung o'er hearth and home,
Demand protection, and the one who shields

The weak and helpless does not need to roam
To seek for honor, for all Labor's sons
Have tasks as great as theirs behind the guns!

Loyal to duty, in its truest sense,
He served with honor through his few bright years;
And now his Captain called him quickly hence,

We will not mar his going with vain tears;
But trust that on God's service flag may glow
A Star for him, rejoicing angels show!

A tribute from his friend, Adela Stevens Cody, St. Louis, Mo.

GRAMMAR SCHOOL NOTES

The teachers and board members have been circulating petitions so that an initiative or substitute bill for the bill known as Assembly Bill No. 1013 may come before the electors this fall for the vote and approval of the public. The bill 1013 was evidently good, but its scope was too great in one respect, and that in regard to the schools of California. Should it become a law, it may restrict school incomes, shorten school terms, decrease salaries of teachers, lessen the extent and content of public education, and degrade California to the rank of a low-rate state, educationally. The original bill and this substitute aim to bring about a more efficient and businesslike handling of the public budgets, and they also aim to promote economy by limiting the amount of annual increase in the total money to be levied in taxes in each county. The marked difference is that this substitute, which has the backing of the whole California school system, makes an exception of the school budget. In a town that grows quickly, it is necessary to increase the budget more than 5% per year; but you have just as many more taxpayers in proportion as you have more children for the schools.

It might interest the readers to know that the school moneys come from state, county and district—about one-third from each.

Assembly.

On Wednesday afternoon an interesting and a near impromptu program was held in the student assembly. Many visitors were there to see what the children could do and to see the school spirit evidenced. The following program was given:

Orchestra; Flag Salute, Pledge and Ritual; "Star Spangled Banner;" March, "On the Wing;" Orchestra; Songs, "The Fairy Ring," "Santa Lucia," 7th grade girls; Announcement; Song, "May Day," 7-8 room; Song, "Our Central," School; Yells; "Athletic Song," School; Four-Minute Speech, Mr. Joseph Daniels, county librarian of Riverside; "Rally Song," School; Yells; Orchestra.

War Chest.

As "Drives" will continue to come—as there are nearly 200 things that ask for money—why doesn't the town have one big drive for a War Chest Fund that will take care of all quotas as authorized by the government? Riverside is going to do so, Beaumont has done so, and so has some Eastern city. So many drives certainly do affect the time of the people, and in some places it almost causes business to come to a standstill. To handle this war money, a council is created of representatives from all the civic, affiliated, associated, and church societies or organizations in the town. This council may organize 1-31 clubs—that is, if the soldier gives his 31 days of a month, the civilian will give his wages for one day out of every month. In order to make the giving fair, a card directory is kept of every person in a town. This shows how much each one has given to win the war. On some cards are written "Exempted," because the person is really unable to give any. To the person that has a blank card, although he may have a good income or money stored away, the committee will say, "Please help us to finish making out your card, for surely you have done something, but we have no record of it."

Song for the U. S. S. G. Army. Johnnie get your hoe, get your hoe, get your hoe; Mary dig your row, dig your row, dig your row; Down to business, girls and boys, Learn to know the gardener's joys, Uncle Sam's in need, pull the weed, plant the seed, While the sunbeams lurk, do not shirk, get to work. All the lads must spade the ground, All the girls must hustle 'round.

Chorus: Over there, over there; Send the word, send the word over there, That the lads are hoeing, the lads are hoeing. The girls are sowing ev'rywhere, Each a garden to prepare, Do your bit so that we all can share With the boys, with the boys, the brave boys, Who will not come back 'til it's over over there. (Composed by Master Joe Lee Davis, Lexington, Ky.)
